Making the World a Little Smaller

Interpreting Experts

Conferences • Conventions • Trade Shows • Business Meetings • Events

American Language Services expert staff, highly qualified interpreters, state-of-the-art interpreting equipment and skilled technicians will ensure that your language requirements are handled effectively.

Quoting Your Project:

Our experienced Conference Experts provide you with *prompt effective service*. Our response times are handled with the *urgency* you deserve. We ask the right questions, formulate a strategic plan and provide you with a free, *price competitive* and detailed quote.

Pre-Event Support:

Most projects are facilitated effectively (scheduling, equipment, timing, etc.). We can guide you through this process by offering our expertise and consultation to reduce your workload.

Great Interpreters: Our interpreters are the best in the business. Our meticulous screening and hiring process ensures excellence in performance. Our interpreters have many years of “hands on” direct experience and training in simultaneous and consecutive interpreting. Our interpreters are based locally to the geographic location of your event.

State of the Art Equipment: Conferences, conventions, business meetings and other events often require special equipment. ALS offers a full array of equipment: headsets, booths, body packs, transmitters, relays and others.

Headsets

Transmitters & Microphones

Enclosed Booths

Sound Reduction Booths

On-Site Technicians: Highly skilled technicians are available in your local area for: On-site consultation, equipment set up and breakdown and ongoing monitoring.

INTERPRETING RATES STRUCTURE

Contact American Language Services and be assured of cost effective solutions for all your interpreting and translating needs.

American Language Services (ALS) has invested time and research in studying the various regions across the country. Our *cost competitive pricing* takes into account regional differences in both cost, supply and demand. ALS's extensive network of professional interpreters has a local presence in all metropolitan areas. They have gone through our rigorous prescreening and qualification process to ensure consistent, timely and effective interpreting in all situations.
